

Prepare for July 8

Breath of Innovation · Tuesday, July 8, 2026 · Norco, California

Your R&D and procurement colleagues asked for a **capabilities workshop** at our Norco facility — not a sales presentation. This packet summarizes the suggested agenda, discussion topics, and ten questions we plan to ask so your team can prepare before you arrive.

ONLINE · USE ON YOUR PHONE AT THE VISIT

Arrive 9:00 AM · 2058 Second Street, Norco, CA 92860 · casual business attire · closed-toe shoes for the production walkthrough

SUGGESTED SCHEDULE

Facility tour first, then four-pillar discussion

All times are suggested — we will adjust in the room to match your team's pace.

Time	Session	Focus
9:00–9:25	Facility tour	2058 Second Street · production, QC, TheraBreath room
9:30–10:15	TFF presentation	Four pillars · conference room across the street
10:15–10:30	Break	Reset before tasting
10:30–11:15	Tasting	Flavor Flight Challenge · Samples A-E · admin results
11:30–1:00	Lunch off site	Hosts take the group · back 1:00 PM
1:00+	Open discussion	Lakewood · procurement · your pace

PRESENTATION · FOUR PILLARS

- **Resiliency** — Capacity, continuity, and certifications as volumes grow
- **Innovation** — Sodium chlorite flavor work · competitive calibration · prototypes
- **Operations** — Single-site traceability · quality systems · supplier documentation
- **Partnership** — Communication cadence · Lakewood support · long-term alignment

10 QUESTIONS FOR YOUR TEAM

Prepare thoughtful answers

We plan to ask these during the presentation or open Q&A. Honest answers help us align on growth, innovation, and partnership — no slides required on your side.

1.

What does success look like for TheraBreath in 3–5 years?

Helps us align investments and capabilities with the brand's future direction.

2.

What are your biggest growth challenges?

Identifies obstacles where TFF can provide support or solutions.

3.

What separates your best suppliers from everyone else?

Provides a roadmap for becoming a stronger strategic partner.

4.

How can suppliers better support your resiliency goals?

Reveals expectations around continuity planning and supply security.

5.

What innovation opportunities excite you most?

Focuses future development on the highest-value opportunities.

10 QUESTIONS (CONTINUED)**6.****What oral care trends are currently underappreciated?**

Helps uncover emerging opportunities before competitors.

7.**What sensory attributes matter most to consumers today?**

Guides flavor development and product experience decisions.

8.**What could The Flavor Factory do to become an even stronger partner?**

Creates an opportunity for honest feedback and improvement.

9.**How would you like sensory validation data presented?**

Ensures testing efforts provide useful, actionable information.

10.**After today's visit, what would make you most confident in our ability to support future growth?**

Reveals remaining concerns and what matters most going forward.

COME PREPARED

- Phone charged — Wi-Fi on site for tasting tools at 10:30 AM
- Questions ready — technical, operational, and partnership topics welcome
- Lakewood parity topics from your email threads — we grouped them on the prep page
