

Your July 8 briefing

Breath of Innovation · Tuesday, July 8, 2026 · Norco, CA

A working day at Norco — tour, open conversation, tasting, and time for your agenda. Everything you need before you arrive is here.

Arrive 9:00 AM · 2058 Second Street, Norco · tour first, session 9:30 across the street · closed-toe shoes · phone charged for tasting

YOUR DAY

Time	Session	Focus
9:00	Arrive & tour	2058 Second Street · production, QC, your room
9:30	Working session	Resiliency · innovation · operations · partnership
10:30	Tasting	Five prototypes · blind, then score · directional only
11:30	Lunch off site	Back by 1:00 PM
1:00+	Your agenda	Lakewood · procurement · growth

FOUR PILLARS · 9:30

- **Resiliency** — Scale and continuity as you grow
- **Innovation** — Flavor expertise, trends, and next-generation directions
- **Operations** — One roof — sample through batch release
- **Partnership** — Lakewood and long-term alignment

TOPICS WE WILL COVER

Lakewood — Validation path · taste parity across sites · Tier-A SKUs · timeline through September

Partnership — Capacity at scale · sensory science · site transfers

INNOVATION · FLAVOR PARTNER

- Flavor expertise — oral-care chemistry, chlorite-stable architecture, sensory-led development
- Trend pipeline — ingredients and consumer shifts we bring to you proactively
- Next-generation flavors — cooling systems, natural sweetness, pediatric & wellness adjacencies
- Rapid prototyping — bench to workshop fast; directional concepts, not months of wait
- Seasonal & limited edition — calendar-ready concepts and speed to shelf
- Functional & competitive — efficacy-friendly profiles, intensity-tier benchmark reads

TEN QUESTIONS FOR YOUR TEAM

No prep deck — bring your real answers.

1. What does success look like for TheraBreath in 3–5 years?
2. What are your biggest growth challenges right now?
3. What separates your best suppliers from everyone else?
4. How should suppliers support your resiliency goals?
5. Which innovation opportunities matter most to you?
6. What oral care trends are still underappreciated?
7. Which sensory attributes matter most to consumers today?
8. What would make The Flavor Factory a stronger partner?
9. How do you want sensory validation data presented?
10. After July 8, what would make you confident we can support your growth?

WHAT YOU SHOULD LEAVE WITH

- Facility, team, and how we operate — firsthand
- Direct answers on the four areas your team asked to evaluate
- Sensory read on five prototypes · Lakewood alignment · 24h follow-up with owners
